

September 1, 2009

To: Mid-Continent Area Power Pool (MAPP) RTC Members

Subject: Certification Pursuant to Section 2.1 of Schedule F

Pursuant to Section 2.1 of Schedule F, "no new Transmission Service requests shall be accepted under this Tariff that are queued after the date that the Contractor certifies to the RTC Members that the Transmission System of the Transmission Providers is less than 3.775 million MW-miles (based on 2001 summer capacity values)."

In accordance with Section 2.1 of Schedule F, the Contractor hereby certifies that effective September 1, 2009, the Transmission System of the MAPP Transmission Providers will be less than 3.775 million MW-miles based on Summer 2001 capacity values. **Thus, beginning September 1, 2009, requests for new Transmission Service under MAPP Schedule F shall not be accepted.**
